

Please join us at our Coaches Training session from 9 am—12 pm on November 4th, 2023 at The Colchester Meeting House, 830 Main St, Colchester.

This training session is open to new and experienced coaches, and any parent thinking of coaching an OM team and interested in learning more.

You do not need a membership, nor a team to attend. It is an opportunity for everyone to learn more about the program and learn from and network with new and experienced coaches.

This training event is offered at no cost to attendees. Our goal is to ensure all parent coaches have the information and resources they need to have success with their teams.

Please reach out if you would like to know more about the training event, or if you have any questions about our program: advtoom@gmail.com
